

The Food Center provides nourishing meals, 365 days a year, to all who need it. CARE Center guests, individuals with disabilities, senior citizens, struggling families trying to make ends meet --all are welcome through our doors. The Food Center relies heavily on its partnerships with area restaurants, grocery chains, businesses, faith-based organizations, volunteers, and the Pinellas County community for meal preparation and distribution. Those interested in volunteer opportunities at the Food Center may visit our [Volunteer Page](#) for more information.
