

SVdP CARES has housed an average of
63 households each month.

But the need is greater!

With your support of a \$100 monthly commitment,
you will become a key partner as a
Good Samaritan Circle of Excellence

SVdP CARES donors are the lifeblood of our organization! All donors are valued partners in the mission to end homelessness and we are forever grateful for their support.

Good Samaritans by their monthly donations enable SVdP CARES to provide a hand up to even more of our homeless neighbors.

Good Samaritans Circle of Excellence donors enable SVdP CARES to provide 'welcome home' packages to all households permanently housed.

Together, we are working to give a hand up to our neighbors in need by providing safe, secure housing.

The Good Samaritan

This story from the Bible (Luke 10:25-37) is widely known for its noble message of helping others without regard for origin or circumstance. In this parable, Jesus defines who our neighbors are and illustrates love and mercy: A traveler on the road to Jericho is robbed, stripped, beaten, and left for dead. Both a priest and a Levite pass by, but on seeing him, cross to the other side and leave him. A Samaritan also sees the traveler and stops, tends to his wounds, and provides shelter for him at an inn.

Today, will you consider becoming the SVdP CARES Good Samaritan by committing to a monthly contribution?

Good Samaritans Circle of Excellence are SVdP CARES' closest friends and supporters. Their monthly support of \$100 or more helps us provide "Welcome Home!" packages to all households permanently housed. Good Samaritans receive:

- Invitations to special events and receptions
- Invitations to our move-in celebrations/grand openings
- A free copy of our annual report

Good Samaritans Circle of Excellence donors contributing more than \$1,200 annually may request name placards on individual rooms in Ozanam Villages.

Thank you for your steadfast support of SVdP CARES and its mission. We are honored that you have supported us, grateful for your friendship, and pleased to invite you to become a Good Samaritan.
