Including SVdP CARES in your planned giving is an investment in the future and stability of a thriving organization. Every dollar supports programs that work to permanently house and stabilize those experiencing

homelessness, making it rare, brief, and one-time.

Your gift will not only ensure success and leave a lasting legacy for years to come, but it will also inspire others to consider following your example.

There are many planned giving options that allow donors to make an impact while taking advantage of tax incentives. Below are a few ways to plan a gift and leave a legacy with SVdP CARES.

- **Bequest** – Future gifts can be made via a will, trust, or estate plan. This can be a specific amount or percentage.
- **Appreciated Securities** – Stock shares or mutual funds can be gifted to SVdP CARES.

- **Life Insurance** – Designate SVdP CARES as a beneficiary.
- **Retirement Plans** – Name SVdP CARES as the recipient of an IRA, 401(k) or other retirement plan.
- **Real Estate** – Gift real estate to SVdP CARES and receive an income tax deduction equal to the market value of the property.

SVdP CARES strongly encourages donors to seek appropriate legal and financial counsel, as the information provided is an overview.

St. Vincent de Paul CARES is a registered organization under section 501(c)(3) of the IRS code. Donations made are completely tax-deductible. Our Florida registration is #CH8075.

“I chose to include St. Vincent de Paul CARES in my planned giving because I want the work they do to continue, and I want my legacy to live on as an invitation for others to invest in the future.” – *Jaqueline R.*

MAKING HOMELESSNESS
RARE. BRIEF. ONE-TIME.

*Peace of heart—
without it, no good
can make us happy.
With it, every trial,
even the approach of death,
can be borne.*
