

CALLING ALL ARTISTS, POTTERS, & CERAMISTS HELP END HUNGER

SVdP CARES is looking for artists to donate bowls for the 10th annual Empty Bowls event. Be a part of ending hunger and homelessness in your community, while sharing your creative gift with hundreds of event attendees! Bowls should be food safe and can be any shape or size. In addition, artists will be recognized on our website and all event materials! We are looking for a total of 300-400 bowls, so any amount per artist would be appreciated. The event will be held on April 13, 2024, so bowl donations would need to be received no later than March 1st. Thanks for your consideration!
